LONG TERM GOALS

For the City:

* schools- programs/recycling/recycling materials used

- * design guidelines and mandates for city buildings/ new developments
- * city off of grid
- * bike lanes
- * city vehicles [javascript:](javascript:;)

For Residents:

- * community composting
- * storm water- encourage rain gardens/ rain buckets
- * encourage weatherproofing of houses

SHORT TERM GOALS

For the City:

- * find land use for recycling center
- * recycling at commercial outlets in the city
- * city recycling/use of sustainable materials-cups/paper/festivals
- * find \$ resources
- * coordinate with neighboring cities
- * increase tree population
- * street lights
- * audit our current solid waste carrier
- * start an email blast rather than a hardcopy newsletter

For Residents:

- * Solid waste recycling (increase # of residents)
- * PR Campaign/educational programming (newsletter/website exposure)
 - KCPL thermostat/local resources/how does waste affect us/bus routes/sidewalks
- * involve youth- schools/families
