- I. Minutes from January meeting approved
- II. Radio Disney presentation – Ms. Eglich and Mr. Martin Two representatives summarized Radio Disney’s Programs. Recycling Road Show” and other possible green program opportunities. Mike will acquire additional information from Radio Disney, ie video, references. Committee will address again at future meeting(s).
- III. Announcements
 - a. Reviewed Open Meetings Act
 - b. Reviewed duties and responsibilities per ordinance
- IV. Current Action Items
 - a. Agree to review committee goals after Council sets goals. We will match sustainability goals to coincide with Council goals.
 - b. Each member received a packet of Town & Country’s new recycling guidelines to give to neighbors.
 - c. Educational presentations postponed.
 - d. Roesland Elementary interested in outdoor classroom, possibly other collaborations/presentations regarding sustainability. After further research into Radio Disney, committee may approach school about hosting a “Recycling Road Show.”
 - e. Reminder of newsletter deadlines. March issue will list raised bed display, ask for interested homeowners to contact Michelle.
 - f. Earth Day - Due to last year’s low attendance, the committee will not host it’s own event this year. Possibly promote Bike to Work week with a Roeland Park team instead. Megan E. will obtain additional information, to be addressed at March meeting.
- V. Future Action Items - briefly reviewed and postponed until goals are set
- VI. Meeting adjourned - next meeting March 25, 6pm at City Hall
