Please advise in writing regarding any additional additions or corrections to these minutes.

1. **Traffic Signals at 55th Street and Roe Avenue Discussion** Special Guest; Bob Orr with Wilber Smith to further discuss:
 - a. The sightline proposal for the intersection of 55th Street and Roe Avenue looking north on Roe as you turn west onto 55th Street
 - b. The sightline and safety proposal for 48th Street and Roe Avenue
2. **Crosswalks around Roesland School Update:**
 - a. Three (3) additional ADA curb cuts have been installed as part of the 2008 street maintenance program
 - b. Weather permitting, thermo-plastic crosswalks will be installed as required on finished streets. Painted crosswalks will be installed at streets that are to be renovated.
3. **2007 Sidewalk Program:**
 - a. Design is complete. Final Plans are available at City Hall.
 - b. The project is out for advertisement and will be bid on February 9th and to Council for approval on February 16th.
4. **RC12-12:**
 - a. Bids were taken on the project and a contractor has been selected. A preconstruction meeting has been held. The contractor has begun work with a notice to proceed dated January 5th. A "meet the contractor" meeting was held January 8th.
 - b. The utility companies are working to adjust the conflicts within the project limits.
5. **RC12-13:**
 - a. Miles Construction Company will begin work on warranty issues.
6. **RC12-14:**
 - a. Design is in process.
7. **RC12-18:**
 - a. Tentatively accepting SMAC funding in 2010 for project
 - b. City staff will contact the City of Mission to discuss the following:
 - i. Confirm City of Mission's scope of work within the existing watershed area
 - ii. Discuss the City of Mission's total "benefit district" cost within the existing watershed area.
8. **2008 Street Improvements Review:**
 - a. Working on ADA ramps, most concrete work is finished. The contract is currently on hold until better weather at which time it will be completed.
9. **CARS Program:**
 - a. The CARS street funding has been declined as the street selected is still in good condition. The street will be added to the rotation and reviewed for funding in another year program.
10. **2009 Street Improvements Review:**
 - a. The 2009 budget for the 2009 Street Improvement program is \$375,000
 - b. The City Engineer will present the priority streets that require improvement for 2009.
