- 2-112. NOISY ANIMALS. The keeping, or harboring of any animal which by loud, frequent and habitual barking, howling, yelping, mewing, roaring or screeching disturbs the peace of any neighborhood is prohibited. It is the duty of any person harboring or keeping such loud or noisy animal or animals to abate the condition, and if he or she fails to do so, the city may abate it by taking up, impounding and/or disposing of the animal at the expense of the owner.
(Ord. 408, Sec. 11; Code 1986)

2-113. ANIMAL CONFINES; SHELTERS. (a) It shall be unlawful for any person to keep or maintain any animal in any yard, structure or area that is not clean, dry and sanitary, free from debris and offensive odors that annoy any neighbor, and devoid of rodents and vermin.

(b) Excrement shall be removed at least once each week from any animal shelter, pen or yard area where animals are kept, or more often if necessary to prevent or control odors, fly breeding, or rodent infestation. If excrement is stored on the premises by any animal owner, it shall be stored in adequate containers with fly-tight lids, and all such stored or accumulated wastes shall be disposed of at least once each week.

(c) All animal shelters, pens and yards shall be so located that adequate drainage is obtained, normal drying occurs, and standing water is not present.

(d) All animals shelters and board fences confining animals shall be maintained in good repair, and all animal shelters and board fences confining animals subject to residential and commercial classification shall be protected from deterioration by painting or comparable treatment.

(e) All premises on which animals are kept shall be subject to inspection by the animal control officer, duly authorized law enforcement officer, or public health official. If the officer or official determines from such inspection that the premises are not being maintained in a clean and sanitary manner, he or she shall notify the owner of the animals in writing to correct the sanitation deficiencies within 24 hours after notice is served on the owner. Any animal kept under any condition which could endanger the public or animal health or create a health nuisance may be impounded. Animals shall be released after fees are paid and cause for impoundment has been corrected.

(Code 1986)

2-114. DEATH OF ANIMALS. All dead animals shall be disposed of by the owner or keepers within 24 hours of the animal's death, by burial, incineration in a facility approved by the animal control officer, by rendering or by other lawful means approved by the animal control officer. It shall be unlawful for any person to dump a dead animal on any public or private property. (Code 1986)

2-115. VICIOUS ANIMALS. (a) Prohibited: It shall be unlawful for any person to keep, possess or harbor a vicious animal within the city. Impoundment of animals whose owners have been cited for violation of this section shall be at the discretion of the animal control officer.

(b) Defined: For purposes of this chapter a vicious animal shall include:

(1) Any animal with a known propensity, tendency or disposition to attack unprovoked, to cause injury or to otherwise endanger the safety of human beings or domestic animals; or

(2) Any animal which attacks a human being or domestic animal without provocation;

(3) Any animal owned or harbored primarily or in part for the purpose of fighting or any animal trained for fighting;

(4) Any animal which is urged by its owner or harborer to attack, or whose owner or harborer threatens to provoke such animal to attack, any law enforcement officer while such officer is engaged in the performance of official duty.

(c) Complaint: Whenever a sworn complaint is filed in the municipal court against the owner of an animal alleging that such animal is vicious and in violation of this section, the municipal judge shall hold a hearing to determine whether or not the animal is vicious within the meaning of this section and thereby in violation of this section. The owner of the animal shall be notified in writing of the time and place of the hearing at least one week prior to the hearing. In making a determination, the municipal judge shall consider the following:

- (1) The seriousness of the attack or bite;
- (2) Past history of attacks or bites;
- (3) Likelihood of attacks or bites in the future;
- (4) The condition and circumstances under which the animal is kept or confined;
- (5) Other factors which may reasonably relate to the determination of whether or not the animal is vicious.

The municipal judge shall order the impoundment, the muzzling in accordance with subsection (d), and/or the confinement of the animal accused of being in violation of this section in a manner and location that will insure that it is no threat to persons or other animals pending the outcome of the hearing. If such impoundment, muzzling or otherwise safe confinement is not possible or if prior court orders to restrain such animal have gone unheeded, the municipal judge may order the animal immediately destroyed.

(d) Vicious Dogs to be Muzzled: It shall be the duty of every owner, keeper or harbinger of any dog in the city, which dog is vicious or has been known to bite, chase, or run after any person or animal in the streets, alleys, or any public place in the city, to keep the same muzzled with a good and sufficient wire or leather muzzle, securely fastened so as to wholly prevent such dog from biting any animal or person until such time as a determination has been made by the court as to whether the dog is vicious or not. Any person owning, keeping or harboring any dog within the city limits contrary to this section shall be guilty of a violation of this code.

(e) Immediate Destruction: Nothing in this chapter shall be construed to prevent the animal control officer or any law enforcement officer from taking whatever action is reasonably necessary to protect himself or herself or members of the public from injury or danger, including immediate destruction of any vicious animal without notice to the owner.

(f) Release of: If a complaint has been filed in the municipal court against the owner of an impounded animal for a charge under this section, the animal shall not be released except on the order of the municipal judge, who may also direct the owner to pay all impounding fees in addition to any penalties for violation of this chapter. The municipal judge may, upon making a finding that an animal is vicious or that it represents a clear and present danger to the citizens or to other animals in the community, order the animal to be destroyed in a humane manner by the animal shelter. Surrender of an animal by the owner thereof to the animal control officer does not relieve or render the owner immune from the decision of the court, nor to the fees and fines which may result from a violation of this section.
(Ord. 408, Sec. 12; Code 1986)

2-116. **RUNNING-AT-LARGE**. It shall be unlawful for any person to willfully allow any animal or fowl under his or her control to be or to run-at-large within the city. Any

animal or fowl found at-large shall be impounded as provided in section 2-117 or 2-207. (Code 1986)

2-117. IMPOUNDMENT; FEE; NOTICE; RECORD. (a) The animal control officer or law enforcement officer shall impound any animal or fowl found at-large in the city or constituting a nuisance or otherwise in violation of this chapter in a suitable pound or enclosure provided or contracted for by the city. The impounding officer shall make diligent inquiry as to the owner of the animal and shall notify the owner thereof of such impoundment as soon as reasonably possible.

 (b) The city shall receive from the owner of an impounded animal currently licensed by the city an impoundment fee of \$10.00. The impoundment fee for any other impounded animal that is required to be currently licensed by the city and is not so licensed shall be \$20.00.

 (c) In case the identity of the owner of the impounded animal or fowl cannot be ascertained, the animal control officer or law enforcement officer shall, upon taking any such animal into custody and impounding the same, make a record thereof, with a description of the animal and the date and place taken into custody and the place of impounding.

 (d) The animal control officer shall each month submit a report to the city clerk showing the number of animals impounded and the disposition thereof. (Code 1986)

2-118. REDEMPTION OF IMPOUNDED ANIMALS. At any time before the sale or destruction of any animal impounded under the provisions of this article, except for animals impounded under sections 2-115 (vicious) and 2-119 (rabid), the owner thereof may redeem the animal by paying the city clerk the impounding fee and all costs incurred as a result of such impoundment. (Code 1986)

2-119. IMPOUNDMENT OF RABIES SUSPECTS. (a) Any law enforcement officer or local health officer may take up, upon private or public property, any animal which has bitten or scratched a person or other animal and impound the animal in the city pound, securely penned and separated from other animals, or in a veterinary hospital or animal care facility for a period of not more than 30 days during which time the local health officer shall determine whether or not such animal is suffering from a disease and, if not, the local health officer shall authorize the release of the animal upon payment by the owner of the boarding fee therefore. The health officer may authorize the keeping of any such animal on the owner's premises if the owner produces a rabies vaccination certificate showing that the animal has valid rabies vaccination protection. Impoundment costs shall be borne by the owner. If in the opinion of the local health officer symptoms develop justifying a microscopic examination, then the animal shall be killed and examination made by the state department of health and environment.

 (b) In lieu of the provisions of subsection (a), the owner of any such animal may, at his or her own expense, take such animal to any duly qualified and licensed veterinarian in the city for observation. Such veterinarian shall report his or her findings in writing to the local health officer. If in the opinion of such veterinarian a microscopic examination is justified, then the animal shall be turned over to the animal control officer or any law enforcement officer to be killed and examination made by the state department of health and environment.

(c) Any animal desired for observation by the local health officer under this section shall be delivered to the animal control officer or any law enforcement officer upon demand and shall not be withheld, hidden or harbored. Any person violating this provision shall be guilty of a violation of this code. Upon refusal of any person to so deliver such animal, the municipal judge shall cause a warrant to be issued for the arrest of such person, which warrant shall also provide for the surrender of the animal and shall be lawful authority for the apprehending and forcible taking of the animal.

(Ord. 408, Sec. 13; Code 1986)

2-120. ANIMALS BITTEN BY RABID ANIMALS. Whenever a dog, cat or other animal is bitten by a rabid animal or an animal later proved to have been rabid, it shall be the duty of the owner of the animal that is bitten, to report that fact to the local health officer and/or the police department. It shall also be the duty of the owner of the bitten animal to either destroy or have his or her bitten animal destroyed unless:

(a) The animal which was bitten had been vaccinated against rabies at least three weeks before being bitten and has a current vaccination; and

(b) If the bitten animal has a current vaccination, it shall be confined for 90 days; and

(c) The bitten animal shall be released from confinement only upon written order from the local health officer, who declares the animal to be free of rabies; and

Any person who as the operator of a motor vehicle strikes any animal shall stop at once and shall immediately report such injury or death to the owner of such animal, or in the event that the owner cannot be ascertained, and located, the operator shall at once report the accident to the animal control officer or any law enforcement officer.

(Code 1986)

2-122. EMERGENCY; PROCLAMATION. The mayor is hereby authorized whenever in his or her opinion the danger to the public safety from rabid animals is made imminent to issue a proclamation ordering all persons owning any animal in the city to confine the animal in a good and sufficient enclosure from which the animal cannot escape, or fasten such animal by means of a chain on the premises where the owner may reside, for such time as may be specified in such proclamation. Any animal not confined during such time may be disposed of wherever found by any law enforcement officer, or the animal control officer of the city. The owner of such animal may be prosecuted for such violation thereof. (Code 1986)

The fee for such special permit, or any renewal thereof, shall be \$100.00.

Those persons who have received governing body approval to keep more than two dogs or more than two cats prior to the effective date of this ordinance shall be exempt from the requirement to pay such special permit fee, or any renewal thereof; provided, however, that this exemption shall no longer apply if a special permit is suspended or revoked as hereinafter provided.

(b) Special permits must be renewed annually. No special permit shall be issued until an inspection certificate has been issued by the animal control officer certifying approval of the premises and compliance with the applicable laws of the city. If the city clerk has not received any protest against the premises, the city clerk may issue a renewal of an existing special permit at the same location without any report from the animal control officer. If the animal control officer finds that the holder of any special permit is violating any law of the city, or is maintaining the facility in a manner detrimental to the health, safety or peace of mind of any person residing in the immediate vicinity, he or she shall report such fact to the city clerk, and the special permit shall not be renewed except after a public hearing before the governing body.

(c) The animal control officer or any law enforcement officer shall have the right to inspect any premises licensed under this section at any reasonable time and nothing shall prevent the entry onto private property for the purpose of inspection. The application for a special permit shall constitute consent to such entry and inspection.

(d) The governing body may suspend or revoke a special permit if, pursuant to a public hearing, it finds any of the following:

(1) The premises are being maintained in violation of any applicable law of the State of Kansas, or of the city.

(2) The premises are being maintained so as to be a public nuisance.

(3) The premises are being maintained so as to be detrimental to the health, safety or peace of mind of persons residing in the immediate vicinity.

When so requested, the city clerk shall, upon presentation of the registration certificate, issue a duplicate of such tag upon the payment of \$1 fee.
