Nov/Dec 2018

## Introducing...

**The Nordling Family**

*From left: Yoly, Sophia, Joe, Larry and dog Eliza*

**Y**oly, Larry, Joe, and Sophia Nordling moved from Salina, Kansas to Roeland Park in 2009. The Nordlings gravitated to Roeland Park because the City offered a similar type of small-town atmosphere that they enjoyed in Salina. Their main criteria when looking for a new place to call home was ensuring their children would be able to attend a Catholic school, and they were able to find that in Bishop Miege and St. Agnes.

In addition to the familiar small town feel and the top notch catholic schools, the Nordlings benefit from being close to the Kansas City metro in a variety of ways. Larry is an attorney who works downtown, and has a short, 15 minute commute. After hearing his colleagues complain about 45+ minute commutes, this is something that he does not take for granted.

Yoly is a first generation Cuban American and a Spanish teacher at St. Agnes. Her family quickly settled into St. Agnes because it embraces diversity and encouraged Yoly to share her culture and background with the students. (Cont. on pg. 2)

### Resident Spotlights

# 2018 Leaf Collection Program

## What You Need to Know

The City leaf program using the new vacuum truck started collection on November 5th. There will be three opportunities for residents to get their leaves picked up by simply raking them to the curb or sidewalk in front of their homes. Here's what you need to know to participate.

1. **Do Not rake leaves into the street.** Leaves should be in long piles behind the curb abutting the street. Leaves should be placed within six feet of the street or back of curb.
2. Place leaves in the above location the Sunday prior to your scheduled weekly pickup (see full schedule and map at [www.roelandpark.net/328/Fall-Leaf-Pickup-Program](http://www.roelandpark.net/328/Fall-Leaf-Pickup-Program))
3. Keep leaf piles free of limbs and litter.
1. Keep leaves away from obstacles such as trash cans, mailboxes, cars and utility poles.
2. Do not park your car in front of your or your neighbors leaves during collection hours of M-F 7a-5p and Sat 7:30a-3:30p. If your neighbor parks in front of your leaves, please reach out to them and kindly request they move their vehicle.

### Family Spotlight (Cont. from Cover)

Joe and Sophia have thrived from the resources in and around Roeland Park over the years. Joe, 16, participates in the robotics team, varsity bowling, Student Council, tutoring, and technical support with sound equipment for the theater program. Sophia, 15, is involved with tutoring, theater and the school musical, and choir. Sophia has used resources inside the Roeland Park community as well as nearby Kansas City programs to enhance her theater talents. Outside of school, Joe and Sophia both enjoy walking to friends' houses and spending time with their friends who live in the community. Lastly, Joe has been able to practice his driving skills safely in the quiet streets of Roeland Park before graduating to the busy freeways.
