## Mr. Stinky Feet Will Perform at the Dedication Celebration City-wide Event on June 29!

Mark your calendars for a festive Citywide Dedication Celebration event to be held in R Park on June 29, 2019, from noon-3 p.m. Activities for kids will start at noon, with a rollicking Mr. Stinky Feet performance at 12:30. The dedication ceremony for the new Jorge Blanco Sculpture will begin at 1:30. The 3 Rs on the sculpture reference the former Roeland Park Elementary School that was on the site from 1951-2003. Past students, teachers and staff who are in attendance will be recognized. Enjoy a slice of cake afterward!

Because Roeland Park has been a designated "Tree City" for more than 25 years, this event will also commemorate Arbor Day. The Parks Committee will have Arbor Day information available and will provide a "Tree Scavenger Hunt" (with prizes) for people of all ages to enjoy!

This event will take place rain or shine, under a big tent. Bring a picnic lunch or purchase your lunch from Werner's Food Truck that will be at the event. Be sure to bring your own lawn chairs. Come and join the FUN!

### Breakfast with a Bunny and Egg Hunt

For the first time, the City hosted Breakfast with a Bunny at the Community Center along with the annual egg hunt on Saturday, April 13th. A big thanks to JCPRD, Governing Body and members of the Community Engagement Committee for making it a success!

### Roeland Park Recognized as a Community for All Ages

The city of Roeland Park was recently recognized as a "Community for All Ages," Gold Award recipient. The recog-

nition program encourages communities to respond positively to the rapid increase in the older adult population and to adopt policies and programs that make the region a great place for residents of all ages to live and age well.

After receiving the Bronze and Silver level recognitions, the City was awarded the Gold level recognition for integrating elements of universal design into its R Park Master and Phased Development Plans. Universal Design is the design and composition of an environment so that it can be accessed, understood and used to the greatest extent possible by all people regardless of age, size or ability. ## Neighbors Helping Neighbors Call for Volunteers

The Neighbors Helping Neighbors program is looking for volunteers to assist with helping older, disabled and/or low income residents with exterior home repairs. This could include projects such as painting, yard work, removal of debris, repairing hand rails, etc. The City will organize "Volunteer Days" where we will come together as a community to serve our neighbors in need. Dates are to be determined. The work will be supervised by City codes staff. Families with children over the age of 12 are encouraged and welcome to join! If you are interested in serving, please call City Hall (913-722-2600) or email Wade at [WHoltkamp@roelandpark.org](mailto:WHoltkamp@roelandpark.org).
