

Memorial Tree Program

Planting or dedicating a tree in a City park or other City-owned land is a wonderful way to honor a dedicated service member, loved one, or family member who has passed away. A tree provides a gift to the whole community, a remembrance of the past and at the same time a renewing of life.

Provisions and Guidelines

- ◆ All options of the Memorial Tree Program will be subject to the provisions and guidelines set forth by the City of Roeland Park to better serve the community and for the success and enhancement of this program and the City's parks.
- ◆ Memorial Trees may be dedicated on existing trees on City owned property which are not currently dedicated, subject to approval by the City. (List of locations available on application).
- ◆ All trees selected will be of 1.5 to 1.75 inch caliper for single stem plants, or 5 to 8ft typical height for multi stem or evergreen plants; tree species and size are subject to grower availability and may vary each season. The City of Roeland Park Public Works and maintenance staff will provide all care necessary for the tree to the standards set for all park plantings.
- ◆ **Wording on plaques** - The donor may choose either of the following wordings on the plaque, "In Memory of" or "In Honor of"; followed by the name of the individual. **To standardize markers the inscription on marker will be limited due to size.**
- ◆ The City of Roeland Park will not be responsible for any loss or damage that may occur to the tree or plaque and all warranties shall come from the place of purchase. **If possible, the City will endeavor to repair or replace damage to trees and markers as funding allows.**
- ◆ All original trees and replacement trees will be installed within the next appropriate planting season after purchase. **Planting seasons are late Fall and early Spring and are subject to weather considerations.**
