\* Property tax revenue reflects a \$140,000 increase over normal projections in 2024 due to debt service requiring that much less funding in 2024.

\*Transfers from TIF funds reflect transfers from TIF 1 for Capital improvements.

\*One of the two condo units on the third floor of City Hall that the City leases has been vacant since 2018.

\*The City gave the current tenant a break during 2020 due to their business suffering from the COVID-19 shut-down.

\*The 2021 budget includes a Budget Objective to reduce fines by 25%; the 2021 Projected budget reflects a reduction from pre-covid fine levels.

#### Notes:

\*The 2022 Budget reflects three Objectives budgeted in this department.

\*Pool operations had historically been paid from this fund, were shifted to fund 220 - Aquatic Center Fund starting in 2019 when the City assumed full ownership of the pool.

\*TIF Expenses are the amount of property tax captured and diverted to applicable TIF District Funds from the City's General Fund.

\*Transfers to the Aquatic Center cover both capital needs and the operating deficit. The amount varies by year depending on these two variables.

\*Transfers to the Equipment Reserve Fund cover capital replacements, see CIP budget for details.

\*The Aquatic Center Fund was created in 2019 when the City took over ownership of the aquatic center from Johnson County Parks & Recreation.

\*The operations and capital investment of the Aquatic Center will be subsidized by the General Fund on an annual basis in the form of a transfer.

\*The City began major renovations to the Aquatic Center in 2020, those renovations will be complete prior to the 2021 season. See CIP section for details.

<b>Notes:</b>									
*The Special Street fund is funded by a 3/4 cent sales tax to provide for the maintenance and improvements of streets and sidewalks.									
* In 2020 the street impact fee of \$91,563 paid by Sunflower for future improvements to Granda was transferred into this fund for future use.									
*The City started to receive a share of the county courthouse sales tax in 2017 which is being used to support street projects in this fund. This sales tax sunsets in 2027.									
*In 2017, the Council decided to fund capital projects on a pay-as-you go basis, however in 2020 Council elected to fund new Parks & Recreation improvements with debt.									
All future capital shall be funded with reserves. As such the ending fund balances for capital funds will vary widely based on the capital projects planned annually.

\*The ending fund will decrease significantly in 2021 as these reserves were accumulated in anticipation of completing parking/storm/ADA improvements.

\*The transfer out to the General Fund is for employee benefits associated with the facility maintenance positions.

\*The Governing Body issued debt in 2020 to pay for significant improvements at R Park and the Aquatic Center (RPAC) in 2020 and 2021. The Special Infrastructure Fund is the resource for Parks & Recreation improvements and as such, the resources from the bond sale will be recorded and spent from this fund. For more details on the capital improvements budgeted, please see the capital budget.

\*The Governing Body made the decision to transfer resources in excess of the City's stated goals for the General Fund fund balance to the Special Infrastructure Fund to help cash-fund capital projects. As the recipient of these transfers, this fund has gained additional flexibility to cover the cost of capital projects. Since the number of projects varies year to year, the ending fund balance can change dramatically from one year to the next. In addition, the amount transferred from the General Fund will vary year-to-year based upon resources available. In 2021, \$36,378 from Aldi's 1% for Art was transferred into this fund and used to support the 48th Street Mural and Aldi artistic staircase projects.

#### Notes:

\*The Equipment and Building Reserve Fund is a continuing capital fund that receives transfers to pay for capital equipment and building improvements.

\*The \$1.2 million in land sale proceeds and \$91,563 of street impact fee received in 2019 from Sunflower Medical as part of land sale for northeast corner of Johnson and Roe; land sale proceeds anticipated to be used to purchase property for a new public works building. This expense is shown as a reserve as a new location has not been located.

\* In 2020 the \$91,563 street impact fee collected in this fund from Sunflower was transferred to the 270 Special Street Fund for future use.

\*The transfer of funds in 2019 is to the Aquatic Center Fund reflecting the reserves for facility maintenance that have accrued in this fund in support of the Aquatic Center.

#### Notes:

\*After the debt for the development was retired in 2018, the resources from TIF 1 were directed to the Roe Boulevard improvement design and construction. Because this is a non-recurring capital expense, the ending fund balance fluctuates dramatically year-to-year. To complete the portion of the project associated with TIF 1, \$250,000 will be transferred from the General Fund in 2020 and the same amount will be transferred to the General Fund in 2021 after project completion.

\*The Property Tax Reduction is meant to account for the possibility that property tax appeals from the big box stores will be successful and cause a reduction in the amount of TIF revenue received as a result. These estimates are generated by the Johnson County Appraiser's Office and are updated periodically. The appeals that have processed so far have been successful.

\*Installation of a marquee sign was an objective in 2021 but not completed; funding moved to 2022.

\*TIF 1 will expire May 18, 2024.

#### Notes:

\*TIF 3 expires May 17, 2025. The City recently decided to keep both project areas in place until the final expiration of the TIF district to complete additional work on the site to get it more shovel ready for sale to a future developer.

\* The ending fund balances in this fund have varied significantly year-to-year due to the scheduling of capital projects. In FY 2018 most of the available resources were spent on the sanitary sewer installation, storm water detention and final grade and fill for the site. The City is working with Water One to extend the waterline into the site, while anticipated to take place in 2019, the project has been delayed and we anticipate work will be done in 2021. In addition, pending new development on the site, staff intends to program additional capital projects on the site such as reconstruction of Roe Parkway, and additional infrastructure improvements intended to improve the viability of The Rocks for development.

#### Notes:

\*The revenue in the Property Owner's Association fund are collected to cover the cost of maintaining the common areas and condominiums within City Hall. These fees are paid from the General Fund. The Property Owner's Association then issues a check to the City of Roeland Park to cover fees associated with maintenance of said common areas as all of these expenses are paid out of the City's General Fund. This process was established as part of condo minimizing City Hall space that is leased on the third floor. The condo minimizing also preserves the tax-exempt status of the space used for government purposes as well as space leased to non-profits.

\*The fund is managed by a Board of Directors which is the City Council and is required to meet annually.

\*The ending fund balance changes around 10% annually strictly due to the fact that the fund is very small and grows by \$2,000/year per the annual adopted budget and Association bylaws.
