 - Dots exercise or other means of feedback
 - Group planning and review of detailed plans/any edits
 - Final plan/any changes requires Parks and Council approval
 - Execution
- Sewer work has impacted the trail- any updates (no longer getting response from Urban Trails)-
 - *Ask PW if it's a safety issue as far as the sewer work portion*
 - *KS Heavy is going to fix it with sod, grass, adding signage to stay on the trail*
 - *Have an idea to fix it with grading and planting*
 - *and then for future maintenance if there's another non-profit trail group that will work with us.,*
- *Anthony did get ahold of someone*
 - update? Anthony got ahold of someone with the contract
 - need ideas for future trail maintenance still
- A Federal Land and Water Conservation grant for contribution of costs to the Nall Park- possibly for inclusive play.
 - Builder is investigating the grant to start along with Laura
 - Welcome other ideas

R Park:

- Discuss R Park Bathroom Safety

- Any locks have to be opened from the inside without opening the lock- hospitals have that kind of locks
 - Everyone voted to add these locks
- Future discussion on R Park planting/watering
 - \$2200 reserved for this already in the R Park “bucket” from Citizens Fundraising for R Park
 - Irrigation
- Colors for R Park post- painting Teal
 - Can paint match and do this shortly
- R Park- Clean-up/issues to address
 - Bollards – Replacement, sturdier bollards people driving around them- plastic bollards might be better
 - Also possibly consider landscaping along there
 - Junipers?
 - Metal are 200, plastic are 25
- Basketball court-*Better basketball goals might be better and other options for a light re-surface*
 - Estimate?
 - Consider for objective next year, council project, 2-3 council members?
