    - **Less restrictive signs**- cabinet signs discussion was tabled (not as attractive but significantly cheaper) - are we restricting our lower-income business owners? DEI Committee suggests to broaden sign usage to allow more businesses to afford
    - **String lights**- DEI committee suggestion to expand string lights usage at businesses year-round to cover all holidays (not just Christmas).
    - **"Middle housing"** → Accessory dwelling units should be allowed if there is space- leading to lower barrier of entry for affordable housing

### Goal 2: Open lines of communication with each section of Roeland Park's community:

- Communication Updates/Ideas- May Roeland Parker, newsletter, social media ([comms link](#))
  - Community event- Juneteenth/Pride events
  - City DEI work update- gender-neutral bathrooms at RP pool
- Proclamation for each months (May- AAPI, June- Pride)- Jeff confirmed with Mayor Poppa that there is no limit on the number of proclamations; if there is someone present 'to receive' the proclamation, he will read it aloud. If not, he will acknowledge the proclamation by name and council would vote to approve.
- PV Events (contact: Tim Schwartzkopf)
- Jennifer shared the news of HB 2376 passing and forwarded email to DEI committee members

### Goal 1: Assess city council initiatives with an equity lens

- Council equity questions:
  - Understand current rubrics/equity questions in place (see Background Information)
  - Brainstorm survey about barriers to council members/staff
  - Reviewed Harold's survey for council & gave feedback on questions.

  - "Inhabited by several nomadic tribes" - additional mention of recognizing former occupiers of the land; DEI committee requests that the historical committee go back to Anna for her opinion on adding more inclusive language regarding tribes who lived in the area before.

- City Code Chapter 6: Elections
- Mission Street Bike Lanes: community concerns

## Next Steps

## Future Items

- Short-term rental- July/August council meeting
- Crown Act
- Invite Ethan Corson or Rui Xu to give update on racially restrictive covenants

## Racial Equity Guiding Questions

- **Disproportionate Impact:**
  - Has input from people most affected been sought?
  - Is it possible some groups would be more negatively affected than others?
  - Is it possible that some groups benefit more than others?
  - Is that necessary and/or in line with goals? If not, could this be minimized?
- **Equity in language:**
  - Does the policy/practice make normative/stereotypical assumptions?
  - What types of words are used to describe individuals/groups identified in the policy/practice?
  - Is there language that includes or excludes communities that have been historically minoritized? (Ex. "She/He" > "They")
- **How will this action affect/serve people and places that are:**
  - Low-income (consider: renters, shift work schedules, limited transportation)
  - Communities of color
  - Limited-English speaking
  - People of varying abilities (mobility, vision/hearing impairment)
  - People with marginalized faith traditions
