**Citizen Comment(s):**

**Additions to the Agenda:**

Eric Vaughan RideKC presentation

- Roeland Park bike share
- City employees still working on plan
- Mission still working on bid documents with KDOT, then RideKC will order bikes
- Still need to finalize locations
- RideKCBike started in 2012, now metro-sized
- Bikes in 6 metro cities, memberships are all reciprocal
- “Smart” bikes- all have GPS units and are tracked at all times
  - Can park it at any bike rack since they can always find it
  - Cable “lock two” locks keep the bikes out of boarding zones
  - All bikes are electric, \$0.15/minute
    - Trips cannot be ended outside of participating cities
  - Class 1 bikes- entry level bikes with pedal assist up to 20 mph, no throttle
- Memberships start at \$150/year with 80 minutes of included checkout time per day
  - \$30-35 for monthly plan

- App shows every bike and every battery level
- Minimum age of 18 per user agreement
- Roeland Park bikes will have new higher capacity batteries
- \$10/year equity program for low-income individuals
- 350 bikes currently in the system and growing, plans to add another 150 by EoY
  - Mission getting 30 bikes with 3 hubs, RP to get 20 bikes with 2 hubs
  - Proximity leads to exponential ridership growth
  - Crews always out to return bikes and restock hubs daily
- Demonstration of electric bikes?

## **Sustainability Minute:**
